

The Art of Peace III

A two-year journey into the self using Red Lodge tools of the Delicate Lodge

According to the Mayan Calendar, we have completed a cycle of 52,000 years and together we begin a new cycle of life on our beautiful planet.

Journey with us over the next two years, in 8 quarterly weekend teaching ceremonies of "**The Origin Teachings of the Delicate Lodge**". This is an ancient pre-Mayan bundle of wisdom tools, of consciousness development practices, old knowledge of how we can come to live in balance and beauty, deeply honoring the self and all of life. Let us discover how this ancient wisdom can inform and feed us now, in this time of the Great Shift. In between each teaching Ceremony you will integrate your learning through shared practices in communication with your training mates, receiving regular feedback and guidance in the application of these powerful Medicine Wheels in your own daily life. More happiness, less suffering, and more effective personal power are some of the outcomes of this training.

Black Wolf and Dancing Eagle Coyne, Teachers trained and sanctioned by the 3 Keepers of this tradition, RainbowHawk, WindEagle, and White Eagle will be your guides. This will be the 4th 2-year program they have guided together. They will be assisted by Carllie Otter Owns the Day Bene Bowers and Perry Still Lance Bowers. Guides may

include Ted Shire Harrison, Evergreen Amundson, or others.

Location:

For the 8 quarterly ceremonies, we will be at Potter's Farm Retreat Center (www.pottersfarm.org), our ceremonial home in the Midwest (Washburn, Wisconsin, near Bayfield). For the final Blessing Ceremony we will journey with White Eagle to Punta Allen near Tulum, in the Yucatan Peninsula of Mexico. This is the sacred ancestral land for this Bundle of teachings, where we will experience pyramids, cenotes, the turquoise mother ocean, the beauty of the jungle, and the power of the Sun.

**Exchange:**

Negotiable, as we want all who are called to be free to participate. The full exchange for the 8 ceremonies of the 2 year program is \$4000, which includes the ongoing guidance you will receive in our Virtual Lodge in between ceremonies. Lodging at Potter's Farm and meals are additional and estimate to be around \$180 per weekend. The final Blessing ceremony in Mexico has its own cost, and is estimated to be around \$2000. These training circles typically creating fundraising experiences to defray costs, to build team energy, and to put into use the tools learned in the training.

The Journey of a Thousand Miles Begins with a Single Step:

We will gather several times to be with those interested, to unfold more about this Bundle and the journey ahead. Let us know if you would like to be included in this exploration and/or to claim your space in the training by emailing us at DancingEagle@comcast.net, or calling 612-703-4785. There will be 20 spaces available for participants.
